2024 Budget (enclosed) & Notice of Assessment Increase

November 3, 2023

Dear Cd'A Place Homeowner(s):

As the season changes, it's time again to finalize the Association's financial plan for the year ahead. With support from Rockwood Property Management (RPM), your Board of Directors has adopted the enclosed 2024 Budget for your consideration.

Like most consumers, the Association is experiencing the financial impact of recent market fluctuations and interruptions. To continue the current level of service, an assessment increase is necessary to cover the rising cost of goods and services. A detailed account of anticipated income and expenses is included for your consideration.

Raising dues is never an easy decision but as a not-for-profit corporation, the budget provides little room to negotiate lower rates without sacrificing services. The Board's options are limited to raising assessments and/or reducing services and so the following points were considered ahead of adopting the enclosed budget:

- ➤ Landscape contract rates will increase up to 10% based on the service. The Board considered competitive pricing but ultimately determined that the 10% rate increase is on target with market expectations. Changing service providers will not lower pricing but may impact service as the new contractor(s) learn the scope of work and community expectations.
- Water expense (for common area irrigation) is considerable but unfortunately, irrigation zoning limits the HOA's ability to precisely measure water distribution by each residence and so overwatering will occur in some areas with underwatering in others. To conserve water, we could update and amend irrigation zones and buy new controllers to function with a higher level of accuracy, but the cost benefit is insignificant compared to installation and monitoring expenses moving forward. The Board will perform an irrigation audit with usage data from the City to determine if there's anything further the HOA can do reduce the water utility expense.
- ➤ Postage and mailing costs amount to \$18k annually. To reduce this expense, Members are encouraged to OPT-IN to email delivery of important HOA notices by checking the box at the bottom of the enclosed Owner Info Form or via the website at www.cdaplacehoa.com/homeowner-information-form.
- Reserve funding will increase significantly in 2024 and will continue to increase gradually to ensure the Association is financially prepared to maintain and/or replace major common elements when the time comes. Common elements include walking paths, gates and private drives, parks and playground equipment, which fall under the Association's duty to maintain and repair. To avoid deferred maintenance and/or special assessments for common element repair/replacement, it's imperative that appropriate funding be added to the annual budget.

Effective January 1, 2024, assessments will increase as follows:

<u>Main Association</u> dues will increase from \$25.30 to \$28/month. Main association dues are levied semi-annually on January 1 and July 1 in the amount of **\$168**.

Parkside dues will increase from \$339.90 to \$384/quarter, levied on Jan 1, April 1, July 1 and Oct 1.

Sorbonne Townhomes & Cottages dues will increase from \$132.30 to \$160/month.

Village dues will increase from \$129.90 to \$159/quarter, levied on Jan 1, April 1, July 1 and Oct 1.

Parc Rose dues will increase from \$135.30 to \$153/month.

Soleil Park dues will increase from \$142.30 to \$163/month.

Vigne Blanc dues will increase from \$135.30 to \$153/month.
